My partner and I attended the film festival on the Half Pass this weekend. I wanted to thank all of you for your hard work and for the time spent organizing the event. I enjoyed the films, and my partner and I both enjoyed being able to commingle with others in the community without having to go to a bar ...

That said, I only noticed one thing: At almost 30 I was one of the youngest people there. This is not your fault, of course. At 25 I would not have been able to spend the money to attend. So, I would like to offer that for the festival next year I will do two things for your organization. (1) I would like to offer to give you the money for up to 50 films (assuming the $10 price) to be donated to the gay youth center in CO Springs or one in Denver (or for the 4 film pass, if you think that a better option). Please email or call 719-640-8394 for arrangements. (2) I would also like to offer to give you my time to drum up business in the 18 to 30 age group to get them to attend. I can create flyers, etc.

Long story short, I believe that the work you are doing in the community is exceedingly important, and feel that a younger audience would benefit from seeing the gay community outside of the bars. I am willing to help you in whatever way I can to be sure that happens.

Thank you,
Daniel Branagh, editor and technical writer
